In October 2023, we began accepting submissions on Goulburn-Murray Water's 2024 price submission via Engage Victoria (www.engage.vic.gov.au/ESC-water-price-review-2024). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

I think it is extremely expensive - Goulburn Murray Water do not provide any services - there is no way the consumption of water can be monitored and no service are provided to us at all

2. What do you think of the proposed outcomes?

I do not believe that Goulburn Murray Water has given any consideration to our type of water user and are not prepared to listen!
